World Toilet Organization NEWSLETTER

August 2024

Exciting Leadership Changes.

We are announcing the appointment of our new Chair and Vice Chair. Adam Mokhtee, CFA, has been named Chair, and Delph Mak as Vice Chair. William Sim will take over as Treasurer, a role formerly held by Adam. Adam is a specialist in corporate restructuring and operational turnaround, with extensive experience in both North America and Asia. He has served as CFO, strategic advisor, and board member for several companies .

He brings wealth of experience in corporate finance and governance to lead our organization forward. Delph is a global leader in digital water solutions with diverse experience across industries, including management consulting, energy, & biopharmaceuticals. With a Master's degree from MIT and driven by a deep commitment to sustainability, she leverages her international expertise to lead transformative initiatives & drive innovation strategies for a sustainable future.

Adam Mokhtee,
Chair - Director WTO

Delph Mak,
Vice Chair - Director WTO

We are delighted to introduce the newest members who have joined our cause, bringing fresh perspectives and expertise to our community.

MESIL Noreste:

MESIL has joined as Champion Members of the World Toilet Organization, dedicating themselves to global sanitation advocacy. Founded in 1991, MESIL has established itself as a pioneer in the research, development, and application of cutting-edge, 100% ecological cleaning and sanitation technologies. They are not just another cleaning company; MESIL is committed to creating a healthier environment for future generations through impactful, long-term projects.

Stefan Villing and Barsbold Oyunbold:

They have joined as Friends of the WTO family, contributing to our shared dedication to sanitation advocacy worldwide.

Jack's Speaking Engagements: Inspiring Change Worldwide.

Jack Sim, Founder-Director WTO at SAfricaSan7 Conference

Jack continues to inspire audiences around the globe with his thought-provoking speeches and deep insights into global sanitation, sustainability, and social entrepreneurship. Recently, Jack delivered powerful keynote speeches at several prestigious events:

o Rotary International: Jack captivated the audience with his vision for improving global sanitation and the critical role of community involvement.

o Inter Clean Amsterdam: At this major industry expo, Jack shared his innovative ideas on the future of sanitation and the importance of clean water access worldwide.

o Arizona Water Conference: Jack's keynote at the AZ Water Conference left a lasting impression, emphasizing the necessity of sustainable water management and sanitation for a better future

As a passionate advocate for positive change, Jack is available for speaking engagements at conferences, corporate events, and other platforms that aim to make an impact. If you're interested in having Jack speak at your event, please reach out to discuss how his message can inspire your audience.

Celebrating Jack's Latest Honorary Doctorate.

Jack has been awarded an honorary doctorate by Shobhit University in Meerut, Uttar Pradesh, India. The former President of India, Mr. Ram Nath Kovind, presented this honor in recognition of Jack's outstanding contributions to sanitation and global development. This prestigious award reflects his tireless efforts and innovative leadership in advancing sanitation solutions and improving public health.
