MEET THE NEW WTO LEADERSHIP

SUN GIL KIM, DIRECTOR WTO

The WTO is pleased to announce **Mr Sun Gil Kim** as a WTO Board Director.
Sun Kim is an independent consultant supporting non-sewered sanitation standards, implementation and compliance, and previously served as a Senior Program Officer on the Water, Sanitation and Hygiene team at the Bill & Melinda Gates Foundation. With over 28 years of engineering experience at Boeing and extensive expertise in safety, certification, standards and regulatory compliance, Sun Kim brings a unique blend of technical and sanitation-sector expertise to the World Toilet Organization's Board of Directors.

HO CHEE KIT, DIRECTOR WTO

The WTO is pleased to announce **Mr Ho Chee Kit** as a WTO Board Director.
With more than 25 years of experience in public restroom improvement and standards in Singapore, Chee Kit has worked closely with government agencies on restroom upgrading, toilet design, operations and maintenance. Since 2018, he has served as President of the Restroom Association (Singapore), advocating for clean, safe, accessible, inclusive and well-managed public restrooms.
As a Board Director, Chee Kit brings valuable expertise across public sanitation, facilities management, asset management and sustainability, supporting WTO's continued efforts to raise sanitation standards and strengthen professional capabilities globally.

LEAH DONOGHUE, ADVISOR WTO

The WTO is pleased to announce **Leah Donoghue** as Advisor to the WTO.
Leah brings extensive international experience in strategic communications, advocacy, brand positioning and crisis communications, having held senior regional leadership roles with World Vision across the Middle East, Eastern Europe and West Africa. She also brings a strong private-sector background in advertising and brand strategy, alongside experience advising government on health and sanitation.
As an advisor to WTO, Leah will contribute her strategic communications expertise to help strengthen WTO's global voice, positioning and advocacy impact as the organisation enters its next chapter.

ANNUAL REPORT 2025

We are pleased to share WTO's 2025 Annual Report, highlighting our progress, impact, and key milestones from the past year. We invite you to explore the report and see how our collective efforts are driving change in the global sanitation movement.

WORLD TOILET SUMMIT 2026: REGISTRATION NOW OPEN

World Toilet Summit 2026: Registration & Sponsorship Details

WORLD TOILET SUMMIT 2026
Safe Toilets. Reused Resources. Healthy Communities.
17–19 November 2026 | Asian Institute of Technology (AIT), Thailand
Registration is now open.

The global sanitation community comes together in Thailand to share solutions, forge partnerships and accelerate action for safe, sustainable and dignified sanitation.

Bringing together leaders, policymakers, innovators, practitioners and investors, the Summit is co-organised by WTO and AIT's Global Water & Sanitation Centre (GWSC), in partnership with the Department of Health, Ministry of Public Health, Thailand, and the Bangkok Metropolitan Administration (BMA).
